No aluminum roofs shall be permitted on any home within Forest Ridge, including any future additions to an existing home.

- (f) Any exposed portion of a chimney outside of the building shall be constructed solely of brick, stone, stucco, or wood. If the fireplace is a metal (self-insulated) type with a metal spark arrestor at the top of the chimney, this arrestor must have a cowling or surround of material approved in advance in writing by the Association.
- (g) All exterior appurtenances or mechanical equipment including, but not limited to, transformers, vents, air conditioning compressors, pool pumps, meters, etc., shall be concealed from view by walls of the same material and color as the building or by an opaque landscaping screen. No solar heaters or window air conditioning units shall be allowed where visible from any street.
- (h) Unless otherwise approved by Declarant, no building may be constructed separate or apart from the dwelling. Each dwelling must have an enclosed 2-car garage. No carports shall be permitted.

Should a dispute develop over interpretation of the minimum building setback requirements, the dispute shall be submitted to the board of Directors of the Association for a decision, which decision shall be final and conclusive on all parties concerned. Further, any regulations regarding building setback imposed by governmental agency shall prevail over the setback regulations set forth herein.

Section 24. Minimum Square Foot Requirements of Residences Constructed on Subdivision Lots

- (a) All one-story improvements shall contain a minimum of 1200 square feet of living area, exclusive of garages, patios, screened-in porches, decks, porticos and the like.
- (b) Each single family dwelling house shall contain a minimum of standard double car garage not less than 20 linear feet in width, which shall be enclosed with a conventional width and proper mechanically operated door for ingress and egress purposes. Each garage shall be properly enclosed and architecturally integrated as a part or as an extension of the dwelling unit and attached to the dwelling unit and shall conform architecturally therewith.

Should a dispute develop as to the application on any of the minimum square footage requirements set forth in this section, said dispute shall be submitted to the Board of Directors of the Association for determination, and their decision shall be conclusive and final as to all parties.

ARTICLE VI. Owner's Obligation to Repair

Each owner shall, at his or her sole cost and expense, repair his or her residence, keeping the same in a condition comparable to the condition of such residence at the time to its initial construction, excepting only normal wear and tear by the elements.

ARTICLE VII. Architectural Control

Section 1. Creation of Architectural Committee

For the purpose of further insuring the development of the subdivision as a residential area of highest quality and standard, to preserve the value of property at the subdivision, and in order that all improvements on each lot shall present an attractive and pleasing appearance from all sides of view, the Board of Directors of Forest Ridge Homeowners Association of Polk County, Inc. shall appoint a committee to be known as the Architectural Committee, which committee shall have the exclusive power and discretion to control and approve all of the buildings, structures and other improvements on each lot in the manner and to the extent set forth herein. Said committee shall consist of three or more members of the Association who shall serve at the pleasure of the Board. The Declarant shall have the responsibility of enforcing the restrictions set forth in this Article prior to the formation of the committee. References in this Article to the committee shall mean the Declarant until the committee is appointed.

Declarant shall have the exclusive right of approval or disapproval of all architectural design within Forest Ridge. All plans and specifications must be accepted and approved by Declarant prior to the commencement of construction of any improvements on any lot within Forest Ridge. It shall be the burden of the lot owner to provide Declarant with complete plans, specifications and color samples prior to construction, and Declarant reserves the right to deny approval of construction and/or design for any reason, including, without limitation, aesthetic reasons. Prior to and upon transition of the homeowner's association from the Declarant to the homeowners, Declarant shall be exempt from obtaining approval from the architectural committee on all new construction performed by Declarant until the completion of the development.

Section 2. Construction of Residences and Miscellaneous Other Structures

No residence, building, fence, wall, boat dock or other structure shall be erected, maintained or altered on any lot within the subdivision, until the plans and specifications showing the nature, kind, shape, height, size, materials, colors, floor plans, elevations, and locations of the same have been submitted to and approved in writing by the architectural committee as to the harmony of external design and location in relation to the surrounding structures and topography.

Section 3. Alterations, Additions and Improvements of Residences

No owner shall make any structural alterations, or shall undertake any exterior repainting or repair of, or addition to his residence, including replanting, or other external attachments which would substantially alter the exterior appearance thereof, without the prior written approval of the plans and specifications therefore by the architectural committee. The committee shall grant its approval only in the event the proposed work will benefit and enhance the entire subdivision in a manner generally consistent with the plan of development thereof.

Section 4. Damage and Destruction of Residence; Approval of Structural Variances

If all or any portion of a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the owner thereof, with all reasonable diligence, to rebuild, repair, or reconstruct such residence in a manner, which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within two (2) months after the damage occurs, and shall be completed within six (6) months after the damage occurs, unless prevented by causes beyond the control of the owner or owners. In lieu of the above, owner may elect to demolish the remainder of the structure and clear the site of improvements and debris.

Section 5. Approval of Committee; how evidenced

Whenever in this article approval of the architectural committee is required, such approval shall be in writing. In the event the architectural committee fails to approve or disapprove within fifteen (15) days after receipt of a request to do so, approval will be deemed to have been given, and compliance with the terms of this article conclusively presumed.

Section 6. Release From Minor Violations

If a building or other structure has been erected or its construction substantially advanced and the building or structure violates these restrictions or the plat, the Architectural Committee or Declarant may release a lot from any part of the covenants or plat which is violated. The Declarant or Architectural Committee shall not give a release except for a violation that is, in its sole judgment, a minor or insubstantial violation.

ARTICLE VIII. Landscaping

Each owner shall provide and maintain landscaping, lawn and shrubbery upon his lot in keeping with the architecture of his residence. Prior to occupancy, all front, side and rear yards shall be equipped with an underground sprinkling system and shall be completely sodded with grass, customarily used for lawn purposes, and shall include the installation of at least one shade tree with a minimum height of 8' located within the front yard of the residence. Declarant shall have no responsibility for maintenance or landscaping on lots, common areas, streets, or drainage retention area.

ARTICLE IX. Amendments and Miscellaneous

Section 1. Telecommunications Services.

The Association shall have the exclusive right to provide and operate, or to permit others to provide and operate, within the Community, such telecommunications systems (including, without limitation, telephone, cable television, community intranet, internet, and other systems for receiving, distributing and transmitting electronic data, signals, and audio or visual communications), security monitoring, systems and services, utilities, and similar systems and services, including, without limitation, conduits, wires, amplifiers, towers, antennae, and other apparatus and equipment for the operation or provision thereof (collectively, the "Community Systems and Services") as the Association deems appropriate. Such right shall include, without limitation, the right to select and contract with companies that provide such services, and to charge individual users a reasonable fee not to exceed the maximum allowable charge for such services, as from time to time is defined by the laws, rules, and regulations of the relevant government authority, if applicable.

The Association may, prior to or after the Turnover Date, enter into a long-term contract for such services, and/or for the administration and billing of such services, with any entity including an entity affiliated with the Developer. Community Systems and Services may be provided and charged against all Lots and Units as a Common Expense. If particular services or benefits are provided to particular Owners or Lots or Units at their request, the benefited Owner(s) shall pay the service provider directly for such services, or the Association may assess the costs as an Individual Assessment. No Owner may avoid liability for the charges associated with the Community Systems and Services by electing not to utilize the Community Systems and Services.

Charges for Community Systems and Services shall be a continuing lien on the property of each Owner in favor of the Association and the provider or administrator of such services under contract with the Association in the same manner as and as more particularly described in this Section of this Declaration concerning Assessment liens in favor of the Association. This provision shall not be subject to amendment after the Turnover Date.

Developer may receive, and shall be entitled to retain, any and all rebates, credits, fees, or incentives relating to the installation, operation, or provision of any Community Systems and Services.

Section 2. Foundation.

The Adams Community Foundation, Inc. and the Cassidy Community Foundation, Inc. (the "Foundations") have been established as tax-exempt entities under Section 501(c) of the Internal Revenue Code to provide funding for various programs, projects, services, and activities which, in the judgment of its board, provide benefit to the people of the Polk County region and/or the areas within and around the Community. (The term "Foundation" shall include any successor or assign which meets the qualifications for tax-exempt status required under Section 501(c) of the Internal Revenue Code, as it may be amended.)

On (i) any sale or transfer of title of any Lot in the Community, or (ii) any sale of direct or indirect beneficial ownership interest in any Lot in the Community, the transferor shall pay to the Foundations, in equal one-quarter shares, a total amount equal to 0.25% of gross selling price or other consideration paid for the Lot or any interest therein. This transfer fee is due and payable at the closing of each transfer of ownership or title. The 0.25% fee is based upon the entire consideration, including any mortgage taken subject to or assumed, any promissory note given, and the fair market value of any other property given in exchange.

Notwithstanding the provisions above, any transfer of any Lot by or to the Developer, or by or to any entity controlled by or under common control with the Developer is not subject to the payment of the transfer fee at the discretion of the Developer.

The Foundations, in their discretion, may exempt certain other transfers from the payment of the transfer fee that do not involve (i) a change in beneficial ownership in such transaction and subsequent, related transactions or (ii) payment of consideration. For example, without limitation, a transfer made solely for legitimate estate planning purposes, but which does not change the beneficial ownership of the Property, may be deemed exempt, as would be a gift to children. However, a conveyance to an entity controlled by the grantor, followed by a transfer of ownership interests in such transferee or by a merger of such transferee resulting in a change of ultimate beneficial ownership of the Property shall be subject to the transfer fee either at the time of the initial transfer or the subsequent change in beneficial ownership (whether by merger or otherwise). The classification of any transfer as exempt shall not be deemed a waiver of the Foundations' right to collect the transfer fee on future title transfers under similar circumstances. The Association shall cooperate with the Foundations in the collection of the transfer fee by, among other things, notifying the Foundations, or their designees, of any pending transfer.

The obligation to pay such transfer fee shall be a personal obligation of the transferor, and the transferee shall be secondarily liable therefore. In addition, the Foundations shall each have a lien against each Unit to secure payment of such transfer fee, as well as interest (in the amount of 12% per annum) and any costs of collection (including attorneys fees). Such lien shall be superior to all other liens except (a) the Association liens under this Declaration, (b) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (c) the lien or charge of any recorded first Mortgage (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. The Foundations may enforce its lien and the obligor's personal obligation to pay by suit, judgment, and judicial or non-judicial foreclosure in the same manner as the Association under this Declaration; provided, the Foundations' lien rights as to a particular transfer shall expire if action to enforce the lien is not commenced within three years following the earlier of (i) the recordation of a deed in the public records with documentary stamp taxes that reflect the full consideration paid for the unit, and (ii) notification by certified mail to the Foundations' expressly identifying the change in beneficial ownership and the full consideration paid therefore. Upon request, the Foundations shall execute a recordable certificate acknowledging the transfer and the payment of the transfer fee. The provisions of this section shall be a covenant running with the lands and shall touch and concern the lands. Each grantee in title covenants by acceptance of a deed to include notice of this transfer fee in any deed granted by such grantee.

Section 3. Enforcement

Declarant, the Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens, and charges now or hereafter imposed by the provisions of this declaration. Failure by Declarant, the Association, or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any litigation, including breach, enforcement or interpretation, arising out of this declaration, or in conjunction with any of the documents or instruments referred to in this declaration, the prevailing party in such litigation shall be entitled to recover from the non-prevailing party reasonable attorney's fees, costs and expenses.

Section 4. Severability

Invalidation of any one of these covenants or restrictions by ordinance, judgment, or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 5. Amendments

- (a) The covenants, conditions, and restrictions of this declaration may be amended by duly recording an instrument executed and acknowledged by not less than three-quarters (3/4) of the Association members. Any amendment of these documents which would affect the surface water management system, including the water management portions of the common areas, must have the prior approval of the Southwest Florida Water Management District.
- (b) Notwithstanding, any provision contained in this Declaration to the contrary, the Declarant, without the approval of the Association, the owners, or any mortgagee of any property within the subdivision, may record and amend this Declaration in any manner or fashion. This includes, without limitation, the right to change the interior design, dimensions and arrangement of all lots, including increasing or decreasing the number of lots for the subdivision, and to alter the boundaries of lots owned by the Declarant, or the boundaries of the subdivision.
- (c) Notwithstanding any provision contained in this Declaration to the contrary, the Declarant, without the joinder or approval of the Association, the Owners, or any mortgagee of property within the Subdivision, may record any amendment to this Declaration to be made by the Declarant without the approval of the Association, the Owners, or any mortgagee of property within the Subdivision.
- (d) Notwithstanding any provision contained in the Declaration to the contrary, any amendment or amendments adding additional phases or property shall not be required to be executed by, nor consented to by, lot owners, the Association, or the owners or holders of any lien encumbering any lot or property of the subdivision. To that end, Declarant specifically reserves the right to utilize and/or assign such rights of utilization in all roadways, rights-of-way, utilities, and common areas described hereunder or created by the plat. The owners of any such added property may become members in the Association. In addition, Declarant reserves the absolute right to amend this Declaration to change the number of lots to be contained in any subsequent phases. Said amendment need not be executed or consented to by lot owners, the Association, or the owners or holders of any lien encumbering any lot or property of the subdivision.

Section 6. Subordination

No breach of any of the conditions herein contained or reentry by reason of such breach shall defeat or render invalid the lien of any first mortgage made in good faith and for value as to the subdivision or any lot therein; provided, however, that such conditions shall be binding on any owner whose title is acquired by foreclosure, trustee's sale, or otherwise.

Section 7. Duration

The covenants, conditions, and restrictions of the Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association or any member thereof for a period of twenty five (25) years from the date hereof. Thereafter, they shall be automatically extended for additional periods of twenty (20) years unless otherwise agreed to in writing by the Owners of at least three-quarters (3/4) of the subdivision lots.

Should the Association be dissolved, the property consisting of the surface water management system shall be conveyed to an appropriate agency of local government, and that if not accepted, then the surface water management system shall be dedicated to a similar non-profit corporation.

WITNESSETH

WHEREAS, Highland Cassidy, LLC, a Florida limited liability company, as the original Developer and Declarant, assigned all Developer rights under the Declaration to Sunfield Homes, Inc., a Florida corporation and Orsi Development, Inc., a Florida corporation, by instrument recorded on April 18, 2011 in Official Records Book 08368, Pages 2009 thru 2014, of the Public Records of Polk County, Florida; and

WHEREAS, said Declarants placed certain restrictions as to the use and occupancy of the real property described in the Covenants and Restrictions contained in the Declaration of Covenants, Conditions, Easements and Restrictions of Forest Ridge, Polk County, Florida which was recorded on July 19, 2006 in Official Records Book 6877, Pages 1258-1272 recorded among the Public Records of Polk County, Florida; and First Amendment to Declaration of Covenants, Conditions, Easements and Restrictions of Forest Ridge, Polk County, Florida dated September 19, 2008 and recorded on September 26, 2008 in Official Records Book 7726, Pages 1894-1895 recorded among the Public Records of Polk County, Florida.

WHEREAS, Article IX, Section 5, paragraph (b) of said Declaration of Covenants, Conditions and Restrictions for FOREST RIDGE provides that the Declarant, at its sole discretion, may record any amendment to these Restrictive Covenants.

NOW, THEREFORE, in consideration of the premises, said Declaration of Covenants, Conditions and Restrictions for FOREST RIDGE is hereby further modified and amended as follows:

Words in text are lined thorough (-----) indicate deletions from the present text; words in text which are underlined indicate additions to the present text.

Article III. Assessments is hereby amended as follows:

Section 1. Lien and Personal Obligation of Assessments Declarant hereby covenants for each lot within the subdivision, and each owner of a lot is hereby deemed to covenant by acceptance of his deed for such lot whether or not shall be so expressed in his deed, to pay the association (1) an initial assessment, (2) an annual assessment, ~~and~~ (3) special assessments for capital improvements, (4) telecommunications assessments and (5) special assessments to cover any shortfall for the ongoing operation and maintenance costs; all such assessments to be established and collected as hereinafter provided. The annual and special

assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and a continuing lien on each lot against which such an assessment is made. Each such assessment, together, with interest, costs, and reasonable attorneys' fees shall also be the personal obligation of the person or persons who owned the lot at the time the assessment fell due.

Section 9. Non-Payments of Assessments. If any Assessment is not paid within fifteen (15) days (after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month (or such greater amount established by the Board), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. The Association may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. There shall be added to the Assessment all costs expended in enforcing the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Lot. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

Article V. Use Restrictions is hereby amended as follows.

The subdivision shall be occupied and used only as follows and no material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the Architectural Committee.

Section 7. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot or on the Common Areas. However, dogs, cats and other household pets may be kept on lots subject to such rules and regulations as may be adopted by the Association, so long as they are not kept, bred or maintained for commercial purposes. Other than vicious breeds and uninsurable pets (i.e. pets that create policy coverage exclusions under insurance policies purchased by the Association or pets that cause increases in insurance policy premiums under insurance policies purchased by the Association), Owners may keep no more than two (2) dogs and two (2) cats or other domestic pets as permitted by the County or City ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. All pets shall be walked on a leash or kept within an enclosed portion of the yard of a Home. The person walking the pet or the Owner shall clean up all matter created by the pet. Each Owner shall be responsible for the activities of its pet.

All fences and/or walls where permitted shall be of the same material and design as the adjacent building, or, such fences and/or walls, where permitted, may be of that material and composition commonly known as "maintenance free vinyl fencing," or "PVC fencing" and shall be white in color. All such fencing materials must be approved by the Architectural Committee (AC). No fences or walls shall be allowed in front yards. Where a fence or wall is deemed to be unnecessary or unsightly and detracting from the visual value of common areas, a landscape screen in lieu of a fence or wall shall be required. No fence or wall over six (6) feet in height shall be permitted except for special conditions as approved by the Association and shall not be in violation of county ordinances. The AC may permit Owners of Homes on Lots which abut, run along, intersect with or join the perimeter of any pond, lake, water

body, or conservation area to install fences up to six (6) feet, however, beginning ten (10) feet from the boundary of any pond, lake, water body, or conservation area, the fence shall drop or graduate to a maximum height of four (4) feet and such fence only shall be made of an open design such as a picket fence in accordance with the Community Standards. Fences shall not be installed flush to the ground so that drainage will be blocked in any way. Due to the Association's maintenance requirements and responsibilities the installation of fences within a drainage easement area is not expected to be approved by the AC. However, in the event a fence is installed within a drainage easement area, with prior written AC approval, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed. In general, fences or walls are not encouraged within Forest Ridge. Hedges, berms, or other landscape alternatives are preferred.

Section 15. No property owner shall erect, place, or maintain outdoor clotheslines or exposed fuel tanks at his residence. Subject to the provision of Section 163.04 of the Florida Statutes, to the extent applicable, no rugs, mops, or laundry of any kind, or any other similar type article, shall be hung or exposed so as to be visible outside the Home or Lot. No satellite TV reception dish shall be permitted exceeding 18" in diameter, and no such reception dish shall be placed within the front yard of any residence or lot. No exterior visible antennae, radio masts, towers, poles, aerials, satellite dishes or other similar equipment shall be placed on any Home or Lot without the prior written approval of the AC. Each Owner agrees that the location of such items must first be approved by the AC in order to address the safety and welfare of the residents of Forest Ridge. All antennas not covered by the Federal Communications Commission (FCC) rules are prohibited.

Section 20. Owner's Obligation to Clean Lot Each owner of a lot with or without a home constructed thereon in the subdivision shall be required to maintain said lot in a clean and sightly condition including the proper mowing, trimming and pruning of grass, weeds, trees, or other underbrush, and a vacant lot may not be used for parking purposes. In no event shall an owner's lawn be allowed to exceed five (5) inches in height. All beds are to be weeded upon every cut. Weeds growing in joints in curbs, driveway, and expansion joints shall be removed as needed. Chemical edging is permitted. Edging of all streets curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted for edging. Mulch shall be replenished as needed on a yearly basis. Disease and insect control shall be performed on an as needed basis. Trees and all shrubs are to be pruned or trimmed as needed. If, in the opinion of the Association, a lot owner is not complying with this provision, the Association shall give notice of this fact to the lot owner and shall advise the lot owner of what must be done to meet compliance and shall specify a time period, not to exceed fifteen (15) days, within which compliance shall be make. If a lot owner fails to comply with the Association's requirements, within the time allotted, the Association, its agent, employees, or designated representatives, shall have their right of entry onto said lot without the fear of prosecution for trespass, for the purpose of cleaning up said lot and shall be entitled to bill and collect all costs incurred in said cleanup operation from the lot owner. Should the lot owner fail to pay said bill when rendered, the amount of same shall become a lien against the lot and the Association may proceed to enforce the collection of same in the same manner as a delinquent annual or special assessment. Any major landscaping project must have the approval of the Architectural Committee before the project is started, including but not exclusively the installation or removal of trees, irrigation system, grass replacement, curbing of flowerbeds and installation of pavers.

Section 22. Shallow Wells and Sprinklers Subject to regulation by governmental agencies, wells may be put down by lot owners for irrigating purposes. However same shall be located on the rear portion of the

subdivision lot and out of the public view, if possible. All irrigation pipe and sprinklers shall be located underground with the exemption of sprinklers that are located in flowerbeds or other areas immediately adjacent to the residential structure. Subject to regulation by governmental agencies, owners of lake front lots in Forest Ridge may attempt to use lake water for irrigation and shall place all such irrigation pipe and other apparatuses underground or concealed or encased in some permanent structure. Wells must have prior written approval from the Architectural Committee before they are installed.

Section 25. Leases. Homes and Lots may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home or upon a Lot. The owner must submit to the Association the name of the tenant and the owner's mailing address in advance of the tenant moving into the home. The tenant is required to follow all the covenants and restrictions of the Forest Ridge Homeowner Association.

Section 26. Swimming Pools. No above-ground pools shall be permitted. All in-ground pools, hot tubs, spas and appurtenances installed shall require the prior written approval of the AC as set forth in this Declaration. Pool cages and screens must be a design, color and material approved by the AC and shall be no higher than twelve (12) feet unless otherwise approved by the AC. Pool screening shall in no event be higher than the roof line of the home. Pool screening shall not extend beyond the sides of the Home without express approval by the AC. **THIRD MODIFICATION AND AMENDMENT TO
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
OF FOREST RIDGE**

This Third Modification and Amendment to Declaration of Covenants and Restrictions is made this ^{3RD} day of November, 2011, by SUNFIELD HOMES, INC. and ORSI DEVELOPMENT, INC., Florida corporations, hereinafter referred to as "Declarant."

WITNESSETH

WHEREAS, said Declarants placed certain restrictions as to the use and occupancy of the real property described in the Covenants and Restrictions contained in the Declaration of Covenants, Conditions, Easements and Restrictions of Forest Ridge, Polk County, Florida which was recorded on July 19, 2006 in Official Records Book 6877, Pages 1258-1272 recorded among the Public Records of Polk County, Florida; First Amendment to Declaration of Covenants, Conditions, Easements and Restrictions of Forest Ridge, Polk County, Florida dated September 19, 2008 and recorded on September 26, 2008 in Official Records Book 7726, Pages 1894-1895 recorded among the Public Records of Polk County, Florida; and Second Amendment to Declaration of Covenants, Conditions, Easements and Restrictions of Forest Ridge, Polk County, Florida dated September 2, 2011 and recorded on September 8, 2011 in Official Records Book 8468, Pages 1363-1367 recorded among the Public Records of Polk County, Florida.

WHEREAS, Article IX, Section 5, paragraph (b) of said Declaration of Covenants, Conditions and Restrictions for FOREST RIDGE provides that the Declarant, at its sole discretion, may record any amendment to these Restrictive Covenants.

NOW, THEREFORE, in consideration of the premises, said Declaration of Covenants, Conditions and Restrictions for FOREST RIDGE is hereby further modified and amended as follows:

Words in text which are lined through (-----) indicate deletions from the present text; words in text which are underlined indicate additions to the present text.

ARTICLE II. Membership in Association is hereby amended as follows:

~~Until such time as control of the Association has been relinquished by the Declarant to the non-Declarant Owners, the Declarant shall be the sole Member of the Association.~~ The Declarant shall be deemed to have relinquished control of the Association: (i) immediately upon the recording of a Notice of Intent to Relinquish Control in the Public Records of Polk County, Florida, or (ii) three months after ninety percent (90%) of all Lots in all completed phases of Forest Ridge have been conveyed by the Declarant. At such time as the Declarant relinquishes control of the Association all Owners shall be Members. The Declarant is entitled to elect at least one member of the board of directors of the Association as long as the Declarant holds for sale in the ordinary course of business at least five (5%) percent of the Lots in all phases of the Community.

Every Owner of a Lot which is subject to Assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to Assessment.

ARTICLE III. Assessments is hereby amended as follows:

Section 1. Lien and Personal Obligation of Assessments

Declarant hereby covenants for each lot within the subdivision, and each owner of a lot is hereby deemed to covenant by acceptance of his deed for such lot whether or not shall be so expressed in his deed, to pay the association (1) an initial assessment, (2) an annual assessment, (3) special assessments for capital improvements, (4) telecommunications assessments and (5) special assessments to cover any shortfall for the ongoing operation and maintenance costs; all such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and a continuing lien on each lot against which such an assessment is made. Each such assessment, together, with interest, costs, and reasonable attorneys' fees shall also be the personal obligation of the person or persons who owned the lot at the time the assessment fell due.

~~Until the Declarant relinquishes control, the Member shall not be responsible for the payment of any portion of the assessments; rather, one hundred (100%) of all assessments shall be proportionately allocated among the other Owners with the portion assessed against any particular Lot determined by dividing 1 (one) by the total number of Lots in all completed phases of Forest Ridge minus any Lots owned by the Declarant. At such time as the Declarant relinquishes control, assessments shall be proportionately allocated among Members other than Declarant with the portion assessed against any particular Lot determined by dividing 1 (one) by the total number of Lots in all completed phases of Forest Ridge minus any Lots owned by the Declarant. Declarant shall not be under any obligation to pay any assessments after it relinquishes control. Article III, Section 1 may not be amended without the express consent of joinder of Declarant.~~

Assessments levied pursuant to the annual budget or special assessment shall be fixed at a uniform rate for all Lots, and each Lot shall be liable for a pro-rata share of all assessments. Each Lot's pro-rata share shall be equal to 1/x, with "x" being the number of Lots. For example, if there are 146 Lots, each Lot shall be liable for the percentage of 1/146 or 0.685%.

Prior to the date Declarant relinquishes control of the Association, Declarant shall have the option to (i) fund the shortfall in Assessments not raised by virtue of income receivable from other Members and other income of the Association or (ii) to pay Assessments on Homes or Lots owned by Declarant. Declarant shall never be required to (i) pay Assessments if Declarant has elected to fund the deficit instead of paying Assessments on Homes or Lots owned by Declarant, or (ii) pay Special Assessments, management fees or Reserves. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Costs or, in the Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give prior written notice to the Association terminating its responsibility for the deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon the date Declarant relinquishes control of the Association, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at the Assessment established for Lots owned by Class A members. Such assessment shall be prorated as to the remaining months of the year, if applicable. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than Declarant, prorated as of and commencing on the date of transfer of title.

Section 4. Special Assessments.

In addition to the annual assessments authorized above, the Association ~~my~~ may levy in any assessment year a special assessment applicable to that year only for the purposes of defraying in whole or in part, costs and/or fees associated with any construction, reconstruction, repair or replacement of a capital improvement on the common areas, related thereto, or for any other Association purpose or activity allowed in this Declaration. Any such assessment must be approved by the Board of Directors.

Both annual and special assessments must be fixed at a uniform rate for all Lots.

Prior to the date Declarant relinquishes control of the Association, the Board of Directors controlled by the Declarant may not levy a special assessment unless a majority of the parcel owners other than the Declarant has approved the special assessment by a majority vote at a duly called special meeting of the membership at which a quorum is present.

ARTICLE IX. Amendments and Miscellaneous is hereby amended as follows:

Section 8. Fines and Suspension of Use Rights. The Board of Directors may impose a fine against the an Owner, tenant, guest or invitee in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by Section 720.305(2) of the Florida Statutes from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation with a single notice and opportunity for hearing, except that the fine may not exceed One Thousand and no/100 Dollars (\$1,000.00) and there is no cap on the aggregate amount that the Board may fine an Owner, tenant, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the Fine. If not paid, such fine shall be considered an assessment and a lien may be filed against the Owner's home. The Association may suspend, for a reasonable period of time, the right of a Member, or a Member's tenant, guest, or invitee, to use common areas or facilities for the failure of the Owner of a Lot or its occupant, licensee, or invitee to comply with any provision of the Declaration, Bylaws, or reasonable rules of the Association. A fine may not be imposed without at least fourteen (14) days' notice to the person sought to be fined or suspended and an opportunity for hearing before a committee of at least three members appointed by the Board who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. A fine of less than One Thousand and no/100 Dollars (\$1,000.00) may not become a lien against a Lot. In any action to recover a fine, the prevailing party shall be entitled to reasonable attorney's fees and costs from the nonprevailing part as determined by the court. If a Member is more than ninety (90) days delinquent in paying a monetary obligation due to the Association, the Association may suspend the rights of the Member, or the Member's tenant, guest, or invitee, to use common areas and facilities until the monetary obligation is paid in full. The Association may suspend the voting rights of a Lot or Member for the nonpayment of any monetary obligation due to the Association that is more than ninety (90) days delinquent. All suspensions imposed must be approved at a properly noticed Board meeting. Upon approval, the Association shall notify the Member, the Lot's occupant, licensee, or invitee by mail or hand delivery.

ARTICLE X. Voting Rights.

The Association shall have two (2) classes of voting membership.

CLASS A. Class A Member(s) shall be all owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

CLASS B. Class B Member(s) shall be the Declarant and Declarant shall be entitled to ten (10) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, which occurs earlier:

(A) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or (B) On December 31, 2015.

This Third Amendment shall be effectively immediately upon its recording in Polk County, Florida.

IN WITNESS WHEREOF, the Declarant, SUNFIELD HOMES, INC. and ORSI DEVELOPMENT, INC. have caused this instrument to be executed by its duly authorized officers hereunto as of the day and year first above written.

Words in text which are lined through (-----) indicate deletions from the present text; words in text which are underlined indicate additions to the present text.

Section 25. Leases. Homes and Lots may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home or upon a Lot. ~~The owner must submit to the Association the name of the tenant and the owner's mailing address in advance of the tenant moving into the home. The tenant is required to follow all the covenants and restrictions of the Forest Ridge Homeowner Association.~~ Individual rooms of a Home may not be leased on any basis. No transient tenants may be accommodated in a Home.

- (a) Lease Requirements. All leases or occupancy agreements of Homes (collectively, "Lease Agreements") are subject to the following provisions:
1. All Lease Agreements shall be in writing. All prospective occupants of the Home shall be identified in the Lease Agreement. A copy of all finalized Lease Agreements shall be provided to the Association;
 2. All Lease Agreements, along with an application form signed by both the Owner and tenant, in a form approved by the Association, shall be submitted to the Association at least five (5) business days prior to the signing and commencement of the lease;
 3. The Owner shall pay the lease application fee prescribed by the Association. The initial lease application fee shall be fifty dollars (\$50.00) and may be increased from time to time;
 4. No Lease Agreement may be for a term of less than six (6) months;
 5. No Home may be leased more than two (2) times in any calendar year unless otherwise approved by the Association in the case of hardship;
 6. The tenant, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by the Association;

 9. When requested by the Association, each Lease Agreement shall provide a uniform attachment (the "Uniform Lease Exhibit") incorporating provisions that require the tenant(s) to abide by the Declaration, the Articles, Bylaws and Rules and Regulations of the Association which govern the Home. The Uniform Lease Exhibit shall contain other provisions deemed necessary by the Board of Directors from time to time. Failure to incorporate such Uniform Lease Exhibit into the terms of any lease shall cause such lease to be void; and
- (b) Security Deposit. Each Owner shall collect from their respective tenant and remit to the Association a security deposit in the amount of One Hundred and No/100 Dollars (\$100.00), or such other amount as determined by the Board from time to time, to cover expenses related to the maintenance and repairs of the Home and/or damage caused to the Common Areas by the tenant, members of the tenant's family, or the tenant's guests and invitees. The Association shall be entitled to apply the deposit to any tenant obligations in connection with the Home, Common Area, or otherwise described in this Declaration; provided, that, the tenant does not undertake obligation after notice from the Association. Unless otherwise applied as provided herein, the deposit shall be returned to the Owner upon termination of the lease term after the Association
